## Building Update

July 3rd exterior work at MINOR Improvements PT

Seth and his sister Gabby sport their MINOR Improvements hard hats as they check out the construction plans

The building continues to grow at a rapid rate. The framing is complete, so we have separate rooms now. The wiring, plumbing and HVAC is in place and we had to review the placement of all the outlets and switches. I'm sure you've noticed that the brick work is going up this month and the inside of the building has transformed before our eyes as the sheet rock and taping has begun.

## Building Tour

We are planning a tour of the building and site on Wednesday, July 30th at 6:30 pm for our current and soon-to-be patients, so that you can all see for yourselves what we have been raving about for months. **If you are interested in attending the tour please call us at 893-0389 to let us know.** Hope to see you there!!! Each child must be accompanied by a parent.

## Congratulations

Greg at First Base in the Regional Finals

MINOR Improvements would like to extend our congratulations to Greg, Ryan, and the rest of the Schuylerville Varsity baseball team for their amazing season. They were class C-CC sectional champions. It was great to be able to get you guys back in the game! You made us very proud! Also congratulations to this year's high school graduates, Ryan and Michael.

Good luck in college at Daniel Webster and Siena! We know you'll be terrific!

## She Said Yes!

Shaun and his brand-new fiancé Nichole

When you see Shaun, be sure to congratulate him on his engagement to Nichole. It was a hot day in Philadelphia. He was cool as a cucumber. She cried. Nichole is finishing up her teaching degree in New Hampshire and will graduate in December. They're planning a wedding for the summer of 2004. Think of the gas money they'll both save!!!

## Welcome

A warm welcome to Larissa and Jackson, the newest members of our MINOR Improvements family. Glad to have you aboard!

## Happy Birthday

Happy July Birthdays to Craig, Leo, Noah, Jacob, and Angela.

## 5K to benefit SABAH

The MINOR Improvements team at the beginning of their 5K

On Saturday July 19<sup>th</sup>, several members of the MINOR Improvements family participated in a 5k road race to benefit SABAH (skating Association for the Blind and Handicapped). Two of our current patients, Caitlin and Morgan, and Caeden's big sister, Laiken, were stars in the SABAH show this year! SABAH is a great organization and we were happy to find another way to contribute. Thank you to Ryan, Melinda, Morgan, Caitlin, Larissa, Maddy, Caedan, and your families. Oh, and by the way, guess who won??? Our very own Shaun, of course!!

The team cheers on Shaun as he runs for the finish
